

AVID LEARNING CREDITS PROGRAM

Get easy, cost-efficient access to learning resources

The Avid® Learning Credits program provides customers with a simple and flexible way to purchase Avid Training and Certification in advance. Avid Learning Credits can be used to redeem any Avid-delivered Training Course, Certification, or Learning subscription, offering customers the flexibility to utilize their investment throughout the year.

LEARNING CREDIT VALUE

1 LEARNING CREDIT = USD\$100 CAD\$100 £100 €100 AUD\$100 ¥10,000

** Individual Enterprise only, max qty 10. Site and Enterprise portals are available for larger quantities of learners/users.

*** Onsite training will incur additional charges for the Trainer's travel and living expenses not covered by Learning Credits.

TOP BENEFITS

Get training and certification quickly and easily

- > Purchase training when you have the budget (credits are a great way to use an unallocated budget effectively)
- > Decide later how to allocate the training throughout the next 12 months
- > Easy to purchase and simple to administer
- > Take care of all learning needs with one purchasing transaction
- > Plan your training with one of our Avid Learning Consultants

Gain greater flexibility over your training purchases

- > Credits can be redeemed against any Avid delivered public classroom, onsite, eLearning subscriptions, Live Virtual class, Blended course or Certification exam (does not include Consulting or Workflow Design services)
- > Purchase credits standalone or with Avid products
- > Anyone within your organization can use credits
- > Faster turnaround to confirm bookings

Increase your return on investment

- > Lock in today's price, use your credits throughout the year
- > Manage training costs more efficiently
- > Remove the need for ad hoc training purchase transactions
